

# 2018 4.9 ~ 4.15 WeeklyReport

---

- 4.9 ~ 4.13 end my internship in dolphin database company

test the table join and dfs file function

- 4.14 ~ 4.15 continue research my graduation project (pedestrian detection)

Study the cs231n

Study the code of yolo(It is has no progress in a pity)

Continue some code programming in codeforces.com

---

## Summary

- My internship teach me many knowledge about database
- The next month I will concentrate on my graduation project

about the ui, GitHub code learning
